Sunrise Family Clinic Patient Guide (fictional)

1. Hours and Appointments

Sunrise Family Clinic is open Monday to Saturday from 8:00 to 20:00. On Sundays only emergency consultations are available, from 10:00 to 14:00.

Appointments can be booked online or by phone. Please cancel at least 4 hours in advance; later cancellations are charged a fee of Rs 300.

Arrive 10 minutes before your slot. New patients should bring a photo ID and any previous medical records. Walk-in tokens are issued from 7:30 each morning.

2. Billing and Insurance

The consultation fee is Rs 600 for a general physician and Rs 900 for a specialist. A follow-up visit within 7 days of the first visit is free.

Cashless treatment is available with 14 partner insurers. For other insurers the clinic submits the claim form within 3 working days.

Payment can be made by UPI, card or cash, and receipts are sent by email. Patients aged 60 and above get a 10 percent discount on consultation fees.

3. Tests and Vaccinations

Fasting for 10 to 12 hours is required before blood glucose and lipid profile tests; plain water is allowed.

Blood test reports are ready within 24 hours. Culture reports take 3 days.

The child vaccination clinic runs on Tuesday and Thursday mornings. The seasonal flu vaccine is available from October to January and costs Rs 850. Prescription refill requests need 2 working days.
